Jim,

Following our telephone conversation yesterday, I contacted my clients at the Arkansas Economic Development Commission regarding the February 2006 agreement referenced by Tulstar's attorneys. AEDC is not aware of a February 2006 agreement; however, they were able to locate three other documents which Tulstar executed in relation to the tolling arrangement. These documents are attached to this email for your review. If I can be of any assistance to you in the future, please let me know. Thank you, and have a good weekend.
